2009 Program Booklet Business Advertisements and Community Patrons

The East Bay Summer Wind Ensemble, East Bay Summer Youth Ensemble and East Bay Chorus are performing music ensembles made up of amateur, student and professional musicians based out of Bristol, Rhode Island. We are a non-profit organization that supports the performing arts and provides a quality music experience to area musicians while also providing traditional and contemporary band & choral music performances throughout the summer months at music festivals through out Bristol Country RI and MA. We have been providing this experience to local musicians for over 30 years. We are currently looking to further expand the number of ensembles that we operate past our two wind ensembles and chorus as well as purchase the instruments, equipment and supplies to allow us to continue to grow. We are asking that you consider purchasing an advertisement in our 2009 program booklet that will be distributed at each of our performances throughout this summer. These concerts presently include (but are not limited to):

1. The Bristol 4th of July Concert Series
2. Our Lady of the Light Band Club Festival in Fall River, MA
3. Warren Band Shell Concert Series
4. The Bristol Concerts on the Common Series
5. RI Veterans Home Concert Performances
6. **Our "Night at the Pops" Season-Ending Concert!**
7. MORE Concerts are soon to be booked as well!

We will perform for over a thousand spectators during the summer and know that this would both benefit your business and show your support for the performing arts on our community. The program **booklet will also include our Ensembles' Membership List, Organization History, Community Patrons and Repertoire.** Our program booklet will be a professional produced 5 1/2" by 8"1/2 **booklet.** Your advertisement can include any information you would like on it and logos/pictures can be added as well (please provide a hard copy of the image or an image file). A list of advertisement prices available is listed below as well as patron ads. Please visit our web-site at www.ebswe.org for information regarding our organization and performance schedule. All supporting organizations and individuals will be listed and promoted on our website as patrons and supporters of our ensembles! Thank you for considering this opportunity for your business and in helping us to continue supporting the performing arts in our community.

Sincerely,

David M. Marshall, Director
